Oct. 2008

Ben Edwards Studio

Title: Studio Manager

Ben Edwards is a DC based contemporary artist whose works can be found in private and public collections in Tokyo, NYC, Paris and Germany.

- Designed and managed production pipelines for large, complex multi-month projects
- Directed technical efforts for a 21ft mural installed at 2101 L street
- Developed custom scripting tools to automate production
- Managed teams of 3-11 art assistants

Volunteer Roles

Jan. 2017 to
present

RefreshDC

Role: Board Member / Organizer

RefreshDC is one of DC's staple UX meet-ups. We host talks monthly with guest speakers who present on a wide diversity of UX topics from illustration to AI.

July. 2016 to
present

Seed Spot

Role: Mentor / Speaker

Seed Spot seeks to create healthy communities by drafting, training and funding emerging entrepreneurs from diverse backgrounds. As a mentor, I help these entrepreneurs with branding, UX and web marketing.

Academic History

Jan. 2001 to
Jun. 2005

Savannah College of Art and Design

BFA in painting with a minor in computer animation.
